

Project Update

Fort McMurray Continuing Care Centre (Willow Square)

Overview

- The 144 bed Willow Square Continuing Care Centre is scheduled to start construction in early spring (2018).
- When completed, Fort McMurray will have a modern continuing care centre at Willow Square, that will meet their needs now and well into the future.
- In addition to the Continuing Care Centre, the Regional Municipality of Wood Buffalo and local stakeholders are developing an aging-in-place component on the Willow Square site.
- It is expected that construction will be completed in the fall of 2019.

Status updates

- The evaluation of the proposals from the Request for Tender for the Design Build of the Continuing care centre has almost been completed.
- An announcement on the successful proposal is expected in early 2018.
